Open House  
Saturday,  
January 25th  
@ 10:00am

New Prospect Baptist Church  
1580 Summit Road  
Lower Level in Community  
Room

It takes a village to raise a child– African Proverb while highlighting the social symbols that gives the community its identity and integrates the person into a larger sphere of meaning.

Rites of passage thus serve a double purpose; preserving the ongoing community as a symbol of collective immortality and permanence as well as providing a clear and guided means for transition from one life stage and sphere of responsibility to another. They thus confirm the hierarchies of values of the community and project an ideal sequence of personal development the individual can look forward to and upon reaching each stage, evaluate his or her maturation against a collective standard. African initiation rites link the individual to the community and the community to the broader and more potent spirit world. Initiation rites are proven to be a necessary extension of many communities and are as necessary and natural as arms and legs are a natural and necessary extension of the human body.

**Additional Classes Available:** Math tutoring, Reading tutoring, Financial training, Carpentry, Plumbing, Robotics, African History, African Genealogy and more
